*Meditation for Sunday September 29, 2024, Numbers 11:25-29**They prophesied in the camp. (Numbers 11:26)*

Did you ever think that you might have missed God's blessing? Maybe you were supposed to go on a pilgrimage, but your finances fell through. Or you had hoped to attend a retreat, but someone in your family got sick. Or perhaps you had planned to go to daily Mass at noon, but you got stuck in a work meeting and couldn't get to church. How frustrating!

In today's first reading, Medad and Eldad might have felt the same way. Moses had chosen them to be among the seventy elders, and God had promised to place his Spirit upon them. They would be able to hear God's voice and help Moses care for the Israelites. But they had not gone out to the tent of meeting; they were left back in the camp among the hungry, complaining people. So it seemed that these two late-comers had missed their chance.

But God had other plans. He blessed them anyway, even in the chaos of the camp, even in their confusion. Medad and Eldad proclaimed God's word right in the midst of the people.

What does this teach us? First, it shows that God is able to bless us wherever we are. He's not limited by whether we're in the "right place at the right time." Second, he's not limited to working only through certain people. Medad and Eldad had willing hearts open to God's grace, and that helped them receive this Spirit. Joshua was scandalized and wanted to silence them, but Moses understood: the Lord's power and his desire to bless his people were far beyond what they had expected. He rejoiced, "Would that all the people of the Lord were prophets!" (Numbers 11:29).

You have not missed your chance to receive God's blessing! You're never beyond his reach, and it's never too late. Today you can seek the Lord. He wants to shower his gifts and heavenly blessings upon you, no matter where you are!

*"Lord, I trust in your goodness."*
